Library of the World's Best Mystery and Detective Stories, Vol. 4

In the six volumes of the Library of the World's Best Mystery and Detective Stories, Julian Hawthorne presents us thrilling and mysterious short stories from all corners of the world. Some of the stories appeared in this collection for the first time translated into English, and many of them come from unexpected sources, such as the letters of Pliny the Younger, or a Tibetan manuscript. In this fourth volume, we find stories originally written in French, Italian, Spanish and Latin. (Summary by Leni)
